

Enterprise, ICT and Fairtrade

KS2

Wednesday 21st March
1.30pm – 4.30pm

How to use ICT with your students to plan, set-up and run an enterprise that allows them to learn about business, co-operatives, sustainability and Fairtrade. They will create a business plan, including a SWOT analysis, and a budget, as well as designs for a product. Part of International Year of Co-operatives. The workshop leader is Michael Newman, he has worked with the East of England Co-op Education Committee.

Course leader: Michael Newman

Cost: £55 for subscribers to Tower Hamlets
Schools Library Service / £75

Venue: Professional Development Centre, English Street,
London E3 4TA (nearest tube Mile End on Central, District
and Hammersmith & City Lines)
