Fairtrade Fortnight

Tower Hamlets Fairtrade Schools Conference

A conference for your students and yourself. Together you will meet an expert on Fairtrade, learn how local government is supporting Fairtrade, create school council policy on Fairtrade and start to create a business plan for a student run Fairtrade enterprise in your school.

This event can be used as part of your school's evidence for gaining Fairtrade status. For preparation for this event, teachers can attend the afternoon on Fairtrade on 8th February.

Part of International Year of Co-operatives.

The workshop is lead by Michael Newman, whose work has been featured on Teachers TV and the Fairtrade Foundation Schools DVD, as well as at the International Enterprise Education Conference.
